4. Do you have any thoughts on the potential location of new major and local roads as shown on the draft Alfriston Structure Plan?

5. What are your thoughts about the location and type of upgrades that are needed for existing roads (such as footpaths, cycle lanes, roundabouts, signalised pedestrian crossings and bus routes)?

6. The draft Alfriston Structure Plan shows a network of existing streams, wetlands and significant native bush areas which can be protected, enhanced and linked with additional planting. What do you think of this concept?
